Summary

Enthusiastic Computer Science student specializing in Artificial Intelligence with a strong passion for software development and problem-solving. Skilled in full-stack web development using MERN stack and proficient in Python for AI applications. Eager to contribute to innovative, real-world projects while continuously learning and growing .

Skills

➢ *Technical skills*

- Machine learning
- Web development
- Full-stack programming
- HTML and CSS

➢ *Soft skills*

- Team collaboration
- Problem solving
- Practical and effective learner

Experience

- Smartinternz | India(Web Developer 05/2025 – 07/2025)
    - Book Nest website using MERN stack, featuring user authentication and cart management.
      - Utilized MongoDB, Express.js, React, and Node.js for full-stack development.
      - Actively contributed to project discussions, fostering a collaborative development environment.
- Eduskills | India(Web Developer Intern 01/2025 – 05/2025)

    - Developed web applications using HTML, CSS, and JavaScript to enhance functionality.
      - Applied responsive design principles to ensure optimal performance on mobile devices.
      - Executed design projects adhering to budget, equipment specifications, performance metrics, and legal standards.

Education and Training
SVR Engineering College | Nandyal
B.Tech in Computer Engineering
Expected in 04/2026

Nucleus Junior College | Nandyal
Intermediate Certificate
09/2022
